

# Stavesacre, We'll Sort This Out Right Now

Blindsided by the harshest of truths  
The cruelest of cruel  
Is that the best you could do?  
Well, Im not hangin around to let you figure it out  
Took your shot you shoulda made it count

(Chorus)  
Im gonna walk through every door that you closed  
I know who you are  
But better: I know that you know that I know

One-sided power struggles aside  
I can see why you hide  
If you were me so would I  
But I got nothing to lose and just a little to prove  
And in a way I owe it all to you

(Chorus)

Oh, yeah  
Oh, yeah  
Oh, yeah I know who you are  
I know who you are  
I know who you are, but better:  
I know that you know that I know

Oh, yeah  
Oh, yeah
