

# Steel Breeze, You Don't Want Me Anymore

Undecided

Don't know where to go

Don't know what I'm gonna do, whoa

Uninvited, I'm knockin' at your door

Have I've the right to call on you, whoa

You don't want me anymore

To make me explain

'Cos I don't want to lose ya

You don't want me anymore

Tried so hard, so hard to please ya

I remember, baby

On the day you left

You said you'd never understand, no

But I keep thinkin' if you tried real hard

You could give me just one more chance

'Cos, you don't want me anymore

Won't you let me explain

'Cos I don't want to lose ya

You don't want me anymore, nooooo

I know your thinkin'

I'm just no good

(I know your thinkin')

But I won't give up

To keep your love

(Instrumental Interlude)

You don't want me anymore

You don't want me anymore

You don't want me anymore

You don't want me anymore

You don't want me anymore...
