

# Steel Train, Alley Cat

I'm taking new answers to questions of yesterday  
I've seen you slide away  
When you cannot hold me, then I saw  
Colors that ruin you way

Taken what you are yeah you will get real far

But you don't you know that I'm an Alley Cat  
and I stay home and dream my life away  
You know that I belong to that club you hate  
Yeah we're doing just great

Running to your ends girl, when cracks line the words you say  
High as the sky you seem so safe  
So I'll take all the shame for you love  
And you breath what we make  
Taken where you are my babe you should get really far
