

# Stefan, Hope (Estonia - Eurowizja 2022)

We let them tell us what to do  
Why why why  
We live to die for worthy things  
Oh ya ya ya

We promised we would never lose our pride  
Your word's worth nothing if you lie  
We're standing tall and looking up, our Father would be proud  
And I'm happy to be working my own ground

We'll be the last ones breathing here

Hey sing your heart out boy  
For all the people great and small  
Oh, when all else is lost  
The future still remains our own

We're taught that we were born to lose  
But why why why  
Don't waste your breath, it's time to choose  
Oh ya ya ya

We promised we would never lose our pride  
Your word's worth nothing if you lie  
We're standing tall and looking up, our Father would be proud

I said  
Hey sing your heart out boy  
For all the people great and small  
Oh, when all else is lost  
The future still remains our own

I hope I hope I hope  
I hope I hope  
I hope I hope I hope  
I hope I hope

We let them tell us what to do  
Why why why  
We live to die for worthy things  
Oh ya ya ya  
No matter what they try, tearing up our lives  
I know we will always rise

I said  
Hey sing your heart out boy  
For all the people great and small  
Oh, when all else is lost  
The future still remains our own

I hope I hope I hope  
I hope I hope  
I hope I hope I hope

The future still remains our own

I hope I hope I hope  
I hope I hope  
I hope I hope I hope  
I hope I hope I hope
