

# Stella Soleil, Stand Up

Jack was never a normal man  
He never fit into the plan  
Ain't as easy as it seems  
When your living the American dream  
He wants to runaway  
Miles and miles and miles away  
He walks thought the bosses door  
Never gonna work in this dump no more

Stand Up!  
If you wanna be free at last  
Stand Up!  
If you wanna forget the past  
Stand Up!  
If your living your life too fast  
Stand Up!  
Come on just have a blast  
Na na na na Na na na na  
Na na na na Na na na na

We've got the right to love  
We've got the right to fall  
Until we've had enough  
Na na na na na  
We've got the right to life  
We can stay up all night  
Just stand up for your right  
Na na na na Na na na na na  
Stand Up!

She was never a normal girl  
Didn't fit into their world  
She sang to pass the time  
While she saved to make a dime  
But then she ranaway  
Miles and miles and miles away  
Never payed to hear her songs  
Of love just sing along  
Na na na na Na na na na  
Stand Up!

We've got the right to love  
We've got the right to fall  
Until we've had enough  
Na na na na na  
We've got the right to life  
We can stay up all night  
Just stand up for your right  
Na na na na Na na na na na  
Stand Up!

We've got the right to love  
We've got the right to fall  
Until we've had enough  
Na na na na na  
We've got the right to life  
We can stay up all night  
Just stand up for your right  
Na na na na Na na na na na  
Stand Up!

If you wanna to live it  
If you wanna it now  
If you wanna to kick it

Then get up off the ground  
Stand Up!

If you wanna to live it  
If you wanna it now  
If you wanna to kick it  
Then get up off the ground  
Stand Up!

We've got the right to love  
We've got the right to fall  
Until we've had enough  
Na na na na na  
Stand Up!  
We've got the right to life  
We can stay up all night  
Just stand up for your right  
Na na na na Na na na na na  
Stand Up!

We've got the right to love  
We've got the right to fall  
Until we've had enough  
Na na na na na  
Stand Up!  
We've got the right to life  
We can stay up all night  
Just stand up for your right  
Na na na na Na na na na na  
Stand Up!
