

# Stephanie McIntosh, Change Is Coming

I am tired of tears and lies  
And I think its time to let go  
Of the past I am scared  
A little but that's ok  
I can smile, now I can laugh  
For with every touch of your gentle hands  
I forget all the pain best I can

A change is coming  
I feel so free at last tonight  
I start to see a future bright  
I dare to dream  
I catch my breath  
Pretty boy I'm ready for what's next  
And if they ask me why it's so  
To every single question  
The answer is you

da da da da da da

I'm inspired by your ideas  
And it's strange  
It empowers me more than  
No I was lost  
But somehow you found me out  
I'm alive  
I'm ready to go  
And with every kiss  
I lose track of time  
Guess I'm leaving my old life behind

A change is coming  
I feel so free at last tonight  
I start to see a future bright

I dare to dream  
I catch my breath  
Pretty boy I'm ready for what's next  
And if they ask me why it's so  
To every single question  
The answer is you

And I'm elated by this world of possibilities I see  
You make me want to be the best that I could ever hope to be  
Ever hope to be  
Yeah  
I feel it coming  
Yeah  
I can feel it

I feel so free at last tonight  
I start to see a future bright  
I dare to dream I catch my breath  
Pretty boy I'm ready for what's next  
And if they ask me why it's so  
To every single question  
The answer is you  
The answer is you  
The answer is you

A journey is coming  
I feel so free at last tonight  
I start to see a

A change is coming  
A change is coming  
Yea  
I feel so free
