

# Stephanie McIntosh, Out In The Rain

I'm drowning in metaphors, angry coz you didn't show, you're late again yeah  
And the tears streaming down my face, I'm displaced like I feel I'm soaking wet  
If you don't love me won't you leave?  
I have tried but I can't seem to say Goodbye

(Chorus:)

I stand out in the rain here for hours  
Looking like I feel inside  
I can't give anymore than my heart  
You shattered it a million times  
At least you can see that I'm crying  
Out in the rain

I'm drowning in metaphors, angry coz stupid me's a fool again  
Yeah I got to get over this, though I've missed you a little now and then  
If I could just fall out of love I would leave  
I have tried but I can't seem to say Goodbye

(Chorus)

I can't seem to walk away from all of this pain

(Chorus)

I stand out in the rain here for hours  
Looking like I feel inside  
I can't give anymore than my heart  
You shattered it a million times  
At least you can see that I'm crying  
At least you can see that I'm dying  
Out in the rain

I'm drowning in metaphors, angry coz you didn't show, you're late again
