

# Stephen Bishop, I Wanna Feel That Way Again

October night  
You changed my life  
The moment we first met  
And how it felt  
when you said hello  
I never will forget  
Looking in your eyes  
gettin' butterflies  
I Wanna feel that way  
I Wanna feel that way again  
I found myself  
When I found you  
and then the world finally made sense  
and what I'd give  
to be there again  
and get lost in all that innocence  
You were my one desire  
lit my soul on fire  
I Wanna feel that way  
I Wanna feel that way again  
Well I can't take anymore of this  
I want you back in my life right now  
I Never thought you could say goodbye  
Never thought I'd be looking back at you and me  
Do you remember when  
The nights would never end  
I Wanna Feel that way  
I Wanna Feel that way again

If I could just hold you  
know you would feel it too  
and I wanna Feel that way  
I Wanna Feel that way again  
I Wanna feel that way again...
