

# Stephen Malkmus, Jo Jo's Jacket

"&quot;And in a funny way, the shaving of my, uh, head has been a liberation from, uh, a lot of, uh,

I'm not what you think I am  
I'm the king of Siam  
I've got a bald head  
My name is Yul Brynner  
And I am a famous movie star

Perhaps you saw me in ""Westworld""  
I acted like a robotic cowboy  
It was my best role  
I can not deny I  
Felt right home deep inside  
That electronic carcass

You're such monumental slime  
Let the punishment fit the crime  
Tie it to a chair  
The house music will blare  
And turn your ears into  
A medicinal jelly

Stay inside on Christmas Day  
And make believe that you are my candy cane  
You said, "&quot;I'm not that type,  
No I'm not sweet, and I'm not overripe&quot;"

Bob Dylan sang in  
""&quot;Its alright ma, I'm only bleeding&quot;""  
"&quot;Everything from toy guns that spark to flesh colored Christs that glow in the dark  
It's easy to see without lookin' too far that not much is really sacred.&quot;"
