

# Stephen Puth, Look Away

i dont wanna think about  
think about oyu with nobody else  
i don;t wanna jump to this  
jump tu this conclusion

maybe, i;m  
paranoid  
got these thoughts ya  
in my head ya  
that I can't avoid no

I was looking at you the other day  
you used to look in my eyes  
now you look away  
I was looking at you the other day  
you used to look in my eyes  
now you look away

you used to look in my eyes  
now you look away

I coildn;t help, but realize  
realize you kissed me kinda weak  
kinda weak /3x  
maybe I am just making a  
making a big deal over nothing  
nothing over nothing

maybe, i;m  
paranoid  
got these thoughts ya  
in my head ya  
that I can't avoid no

I was looking at you the other day  
you used to look in my eyes  
now you look away  
I was looking at you the other day  
you used to look in my eyes  
now you look away

you used to look in my eyes  
now you look away  
you used to look in my eyes  
now you look away
