ROBERT: Phone rings, door chimes, in comes company!  
No strings, good times, room hums, company!  
Late nights, quick bites, party games,  
Deep talks, long walks, telephone calls,  
Thoughts shared, souls bared, private names,  
All those photos up on the walls  
"With love,"  
With love filling the days,  
With love seventy ways,  
"To Bobby with love,"  
From all  
Those  
Good and crazy people, my friends  
Those good and crazy people, my married friends  
And that's what it's all about, isn't it?  
That's what it's really about,  
Really about!
