

# Stephen Speaks, Complete

if i lay my voice down at Your feet  
will you still hear my song echoing  
that i might end this game of hide and seek  
because in You i am complete  
oh in You i am complete  
all the voices i hear in my sleep  
all the sins of my past echoing  
to stay off my knees and on my feet  
oh but they, they can't complete  
cause in You i am complete
