Deeper Shade Of Blue

(Topham/Twigg)

Album: Steptacular

Lead Vocals: H and Claire

Yeah, I'm a deeper shade of blue

And there's nothing I can do

You're so far, far away

Into each life some rain must fall

I didn't know I would catch it all

The clear skies have gone

And you with them too

It's not the same now without you

I used to say you're so beautiful

But it didn't change a thing at all

There's nowhere to run

Got nowhere to hide

I can't forget you when I've tried, but...

I'm a deeper shade of blue

And there's nothing I can do

You're so far, far away

Yeah, I'm a darker shade of me

And I just can't be free

You're so far, far away

You're so far away

Into each life some sun must shine

Well someone else must be getting mine

The days are so empty

Nights are so long

Awaking to find again that you've gone

I used to say you were wonderful

Now I just wonder where you are

It's easy to say, memories fade

But I'm still missing you

Nothing's changed... and

I'm a deeper shade of blue

And there's nothing I can do

You're so far, far away

Yeah, I'm a darker shade of me

And I just can't be free

You're so far, far away

You're so far away

Summer is over

And all we are is apart

The nights are so cold now

Without you in my heart, 'cos...

I'm a deeper shade of blue

And there's nothing I can do

You're so far, far away

Oh set me free
