

Steps, Last Thing On My Mind

There was something in your voice
That was telling me don't be too sure
Arousing my suspicions
I have never felt before

I thought we had it made
I thought you'd never go away

But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind

When I looked into your eyes
There was something you weren't telling me
But in my confusion
I just couldn't see

If there was any doubt
I thought that we would work it out

But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind

There was something in your voice
That was telling me don't be too sure
Arousing my suspicions
I have never felt before

I thought we had it made
I thought you'd never go away

But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind

But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind
