

# Steps, Never Say Never Again

Boy look into these eyes  
It's time you realised  
I've had my share of life's  
Heartaches and misery  
Too many times before  
Oh how I've been so sure  
It's meant to be

And each and every time  
I step across the line  
Just like the fool I am  
I swear it will be the last  
But here I go again  
Listenin' to my heart

It's tellin' me it's time to move on  
You gotta let it go  
But something in my mind  
Keeps sayin' no  
No sad goodbyes  
No one last tries  
See I've had enough  
Takin' chances on love  
And I said I'd never do it again  
But one look at you  
And at once I knew  
That no matter whatever  
I'll never say never again

And on the day he left  
I crossed my heart and said  
I would be strong instead  
Ready to stand my ground  
This time enough's enough  
Don't want another love to let me down (Oh no)

And though I can't forget  
It's over now and yet  
You know I did my best  
To leave it all in the past  
But boy I guess I never counted on my heart

It's tellin' me it's time to move on  
You gotta let it go  
But something in my mind's  
Still sayin' no

No sad goodbyes  
No one last tries  
See I've had enough  
Takin' chances on love  
And I said I'd never do it again  
But one look at you  
And at once I knew  
That no matter whatever  
I'll never say never again

Never say never again  
Never say never  
Oh no never  
Never say never  
I'll never say never again

No sad goodbyes

No one last tries  
See I've had enough  
Takin' chances on love  
And I said I'd never do it again  
But one look at you, oh  
And at once I knew  
That no matter whatever  
I'll never say never again  
Never say never again
