

Stereo MC's, Sophisticated

So sophisticated
I'm such a zero
So sophisticated
I'm such a zero

Don't burn don't burn
Don't burn don't burn
Don't burn

Now I'm getting relocated
Destination zero
I'm so dislocated
From my real-born hero

You wanna see me fall?
Whatcha askin' for?

I patted your behind???
And you're givin' me agro???

Don't burn don't burn
Don't burn don't burn
Don't burn

So sophisticated
I'm such a loser
She knows how to use me
But I don't wanna lose her

Baby don't run
Baby don't run
Don't run don't run

Gonna fool for one finer place???
A space to rise through???
????
She's so sophisticated

She's so sophisticated
I'm such a zero
So sophisticated
I'm such a loser

She knows how to use me
But I'll never lose her

She's so sophisticated
So sophisticated

Say it to my face

Don't burn don't burn
Don't burn don't burn
Don't burn

Now I'm getting relocated
Destination zero
I'm so dislocated
From my real-born hero

You wanna see me fall?
Whatcha askin' for?

I patted your behind???

And you're givin' me agro???

Don't burn don't burn
Don't burn don't burn
Don't burn

She's so sophisticated
I'm such a loser
She knows how to use me
But I don't wanna lose her

Baby don't burn baby don't burn
Don't burn don't burn?
Don't burn?

She's so sophisticated
She's so sophisticated
She's so sophisticated
She's so sophisticated

She knows how to use me
She's so sophisticated
So sophisticated
