

# Stereo Palma, Our Love Feat (feat. Craig David)

Lately we don't see eye to eye  
All we seem to do is fight  
Two many sleepless nights  
But now I wanna put it right  
I know things have been though  
Friends telling you stuff, tryn to mess with our trust  
All I care is about us  
Know things have been though  
Friends telling you stuff, stuff, stuff, stuff, stuff  
But they won't break our love

Say you want my love  
Don't think I'm holding back  
Say I don't give enough  
You know it ain't like that  
Girl I'm ready to chase so girl don't walk away  
Please don't go  
I'm begging you to stay  
/x2

We got a crazy chemistry  
Yeah  
That's why is hard for me to see  
How we ended up here  
With tears rolling down your eyes  
Girl I apologize  
Two wrongs don't make a right  
But I'm prepared to fight  
Cause girl I need you in my life

I know things have been though  
Friends telling you stuff  
Tryin to mess with our trust  
All I care is bout us  
Know things have been though  
Friends telling you stuff, stuff, stuff, stuff, stuff  
But they won't break our love

Say you want my love  
Don't think I'm holding back  
Say I don't give enough  
You know it ain't like that  
Girl I'm ready to chase so girl don't walk away  
Please don't go  
I'm begging you to stay
