

Stereo Total, Hungry!

I am hungry
Cause youre not here anymore
I am starving
Cause youre not here anymore...

Mousse au chocolat, Rumbaba
Pfirsich Melba, Stracciatella
Papayas, Luftschokolade
Ananas, Zuckerwatte

I am hungry...

Nussnugatcreme, Himbeeren
Birne Helene, Gummibren
Cookies Brownies Candies Lollies
Ice cream, Vanilla dream

I am hungry...

Since you left all I wanna do is eat
My hearts exploding with chocolate treats
My heads sad and my stomach hurts
Craving everything thats sweet in the world
When tears fall down on my empty plate
When all I wanna eat is my missing mate
Cos Im on my knees, eating candy
Replacing my love with special sweets
So hug me, love me, get up on me
Marzipan youre the only one loving me
Around my mouth and deep inside
Im gonna eat you up until I die
So kiss me, kill me, as long as its you
Wrapping round my lips, and in tune
With a taste so sweet that I cant resist
Cheating on my lover that I dearly miss

I am hungry...
Im so hungry...
I am hungry...
Me so hungry ...
Hungry ...
