

Stereolab, Bons Bons Des Raisons, Les

curled upon
a contracted and drowsy
exterior
humming to
auntie sheila my torment
my bother
she gives me
choco-la-la-la-la-low la-la-la-low

auntie shiela my torment
and my horror
she gives me
chocolate
it's far better than reasoning

la-la-la-la-la-le-lay
la-la-la-la-la-le-lay-lah-low-le-lay

la-la-la-la-la-le-lay
la-la-la-la-la-le-lay
la-la-la-la-la-le-lay-lah-low-le-lay

through a dance
 la-la-la-la-le-lay
let go the grip
 la-la-la-la-le-lay
link with the empty space
 la-la-la-la-le-lay-lah-low-le-lay
in a flare
 la-la-la-la-le-lay
to create heat
 la-la-la-la-le-lay
replenish this place
 la-la-la-la-le-lay-lah-low-le-lay

la-la-la-la-la-le-lay
la-la-la-la-la-le-lay
la-la-la-la-la-le-lay-lah-low-le-lay

lah-loo-lah-low-le-lah-lo-lah-low-le-lah-low-lah-low-le-lah
lah-loo-lah-low-le-lah-lo-lah-low-le-lah-low-lah-low-le-lah

auntie sheila my torment
and my horror
she gives me
chocolate
it's far better than reasoning

bonbons bonbons
bonbons bonbons
bonbons bonbons
bonbons bonbons
bonbons bonbons
bonbons bonbons

better than reason
sweeter than reason
better than reason
better than reason
sweeter than reason
better than reason
better than reason
sweeter than reason
better than reason

better than reason
sweeter than reason
better than reason
better than reason

reason
sweeter
reason
better
reason
better
reason
sweeter
reason
