

# Stereomud, How We Stand

how long has it been?  
it's good to see everything turned out  
how we wanted it  
how about the friends  
we know that caved in  
we never stopped  
we never rested

[chorus:]  
see me here  
cause I'm still standing  
see you there  
i watch you  
watch you stand  
[repeat]

we face the turbulence  
up or down  
here's the cards we're dealing with  
how come our friends could never read them?  
you and I have never rested

[chorus]  
we'll sleep when we die  
we'll sleep when we die
