

# Stereophonics, Billy Davey's Daughter

I never knew her name  
I only knew her fame  
She lived near my town  
Another goldfish to drown  
Well I just past the bridge  
That parts us from them  
The bridge that she used  
Again and again  
Again

I remember when they found her  
Billy Davey's daughter  
The word gets around

Billy Davey's second daughter  
Threw herself to dirty water  
Billy's left with nothing but a dream

He dreams ...
