

Steve Aoki & Louis Tomlinson, Just hold on

Wish that you could build a time machine
So you could see
The things no one can see
Feels like you're standing on the edge
Looking at the stars
And wishing you were them

What do you do when a chapter ends?
Do you close the book and never read it again?
Where do you go when your story's done?
You can be who you were or who you'll become
If it all goes wrong
Darling just hold on
The sun goes down and it comes back up
The world it turns no matter what

If it all goes wrong
Darling just hold on
(Darling just hold on...)

Oh until it's all been said
It's not over until your dying breath
So what do you want them to say when you're gone?
That you gave up or that you kept going on?
What do you do when a chapter ends?
Do you close the book and never read it again?
Where do you go when your story's done?
You can be who you were or who you'll become
If it all goes wrong
Darling just hold on
The sun goes down and it comes back up
The world it turns no matter what

If it all goes wrong
Darling just hold on
Darling just hold on

If it all goes wrong
Darling just hold on

If it all goes wrong
Darling just hold on...
