

# Steve Conte, Call me, call me

I close my eyes and I keep seeing things,Rainbow waterfalls,Sunny liquid dreams.. Confusion creeps

Call me, call me,let me know it's alright...

Call me, call me... Don't you think it's 'bout time

Please won't you call and ease my mind...

Reasons for me to find you,Peace of mind,

What can I do to get me to you?

I had your number quite some time ago,back when we were young

But I had to grow.

Ten thousand years I've searched it seems and now

Gotta get to you,Won't you tell me how?

Call me, call me,Let me know you are there...

Call me, call me,I wanna know you still care..

Come on now won't you ease my mind...

Reasons for me to find you,Peace of mind...

What can I do to get me to you?

...

Come on now won't you...

Ease my mind...

Reasons for me to find you...

Peace of mind.

Reasons for livin my life...

Ease my mind,

Reasons for me to know you.

Peace of mind...

What can I do to get me to you?
