

Steve Earle, Go Amanda

(Steve Earle, Sheryl Crow)

Take your red dress, leave the hanger

Lose the sadness, use the anger

You might need it 'fore you get there

chorus

Oh, Amanda

You don't have to say goodbye

You just go Amanda

Ain't no way you didn't try

Wo, oh

All right

Tell your sister, tell your brother

Take a picture to your mother

You've been livin' undercover

chorus x 3

Oh, Amanda

Oh, Amanda
