## Steve Earle, Go Amanda

(Steve Earle, Sheryl Corw)
Take your red dress, leave the hanger
Lose the sadness, use the anger
You might need it 'fore you get there
chorus
Oh, Amanda
You don't have to say goodbye
You just go Amanda
Ain't no way you didn't try
Wo, oh
All right
Tell your sister, tell your brother
Take a picture to your mother
You've been livin' undercover
chrous x 3
Oh, Amanda
Oh, Amanda
