

# Steve Earle & The Dukes, I'm Looking Through You

I'm lookin' through you where did you go  
I thought I knew you what did I know  
You don't look different but you have changed  
I'm looking through you you're not the same  
Your lips are moving I cannot hear  
Your voice is soothing but the words aren't clear  
You don't sound different I've learned the game  
I'm looking through you you're not the same

## BRIDGE

Why tell me why did you not treat me right  
Love has a nasty habit of disappearing over night

You're thinking of me the same old way  
You were above me but not today  
the only difference is you're down there  
I'm looking through you and you're nowhere
