

Steve Earle & The Dukes, Pilgrim

1, 2, 3, 4

I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
This ain't never been my home
Sometimes the road is rocky 'long the way, boys
Sometimes the road is rocky 'long the way, boys
Sometimes the road is rocky 'long the way, boys
But I was never traveling alone
We meet again on some highway
Songs to sing and tales to tell

But I'm just a pilgrim on this road, boys
Until I see you, fare thee well

Ain't no need to cry for me, boys
Ain't no need to cry for me, boys
There ain't no need to cry for me, boys
Somewhere down the road you'll understand
'Cause I expect to touch his hand, boys
I expect to touch his hand, boys
I expect to touch his hand, boys
I'll put a word in for you if I can
We meet again on some highway
Songs to sing and tales to tell
But I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
Until I see you, fare thee well

I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
Until I see you, fare thee well
(fading)
I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
I'm just a pilgrim on this road, boys
