

# Steve Earle, Time Has Come Today

(Joseph Chambers, Willie Chambers)

Time has come today  
Young hearts can go that way  
Can't put it off another day  
I don't care what others say  
They say we don't listen anyway  
Time has come today  
The rules have changed today  
I have no place to stay  
Thinking about the subway  
The love has flown away  
My tears have come and gone  
Oh my lord, I have to roam  
I have no home  
I have no home

Now the time has come  
No place to run  
I might get burned up by the sun  
But I had my fun

I've been loved and put aside  
I've been crushed by tumbling tide  
And my soul has been psychedelized

Now the time has come  
There are things to realize  
Time has come today  
Time has come today  
Time
