

# Steve Forbert, Steve Forbert's Moon River

## INTRO.

Roll your rain  
Roll your rain  
Roll your rain down

## VERSE

Well, help me peel the frown off my face . . . chit-chat-chat  
I need a little faith an' that's what I'm after  
Diamonds on a band in your hair . . . chit-chat-chat  
You're talkin' to your wall, you're sleepin' with a stranger

## CHORUS

Oh, moon river  
Moon river

## VERSE

Lisa doesn't know what I mean . . . chit-chat-chat  
I try to make it good, I can't rearrange her  
Standin' in the track of her tears . . . chit-chat-chat  
You know I'm just a child, I can't see the danger

## CHORUS

Oh, moon river  
Moon river

(REPEAT INTRO.)

## VERSE

Oooh, well, typin' up alone in my room . . . chit-chat-chat  
The night goes creepin' by, I talk to the paper  
Wakin' up to sun feelin' fine . . . chit-chat-chat  
Got shoes aroun' my feet an' I'm off to my races

## CHORUS

Oh, moon river  
Moon river

(REPEAT INTRO.)
