

# Steve Hackett, Funny Feeling

Hey it's no surprise that you're going tonight  
Well alright, had a funny feeling  
I don't want to go on wasting your time  
Well alright, had a funny feeling

That came the whole morning through  
It's not hard to do  
I'm just not getting through

Don't live a lie  
I'd rather say goodbye  
Please don't explain  
No use pretending it's the same

You don't have to tell me I've known it all day  
Well alright, had a funny feeling  
I don't see a happy ending coming our way  
Well alright, had a funny feeling

That came the whole morning through  
It's not hard to do  
I'm just not getting through

Don't live a lie  
I'd rather say goodbye  
Please don't explain  
No use pretending it's the same
