

# Steve Harley, Innocence & Guilt

Dearest mama, everything will be all right now  
I will be safe  
It's only that the outside which I have not seen  
For so many long years  
During my divine exile  
Makes me a little nervous , mama  
But I think the time has come for your  
Unnamed warrior-child  
To make his presence obvious  
Don't you agree, mama ?  
Mama, are you listening to me, mama ?  
Are you there, mama ?

Mama, come back, come back, come back, come back  
(mama: but I have things to do, dear)  
Mama, I am blinded  
I feel nothing save death  
It all seems to come up from behind me and hit me like  
An avalanche  
I feel nothing save evil  
Repossess me, mama, repossess me, mama  
Help me to escape from this lunatic inheritance  
Repossess me, mama, repossess  
(mama: ha-ha-hee-hee-ha)
