

# Steve Kilbey, Silvermine

Silvermine, I'm falling into this  
Silvermine and no way through  
Silvermine I can't relinquish this  
Silvermine neither can you

I led him down to it  
Can't get 'round to it  
I led him down to it too

I let him loose in it  
Can't get used to it  
I let him loose in it too

Silvermine I'm slipping into this  
Silvermine and no way through  
Silvermine I can't remember this  
Silvermine neither can you
