

# Steve Lukather, Always Be There For Me

When it's over...  
You're always the last one to know  
It's a feeling...  
That nobody wants to show  
Even though it's killing me  
I still blame myself  
I wish I could change, but lord knows I know that I can't  
All the feelings...  
Twisting inside my head  
I know it's too late...  
The past I can't seem to forget  
If I could change the circumstance  
I'd never let you go  
I can't hide from the truth and I want you to know  
When I reach out my hand there's nobody there I can touch anymore  
When I call out your name  
The pain rips right through me like never before  
Is it too much to ask for one last memory  
Cause yesterday you said, you'd always be there for me  
Don't know what's harder...  
The truth or reality  
I hit a brick wall  
Painted with honesty  
I wish that I could give to you, all the things you need  
But the one thing I can't is making you leave  
(repeat chorus)
