

Steve Miller Band, Something To Believe In

(Steve Miller)

Oooooooooo

Oooooooooo

You give me something to come home to, baby

You give me something to believe in

I know in my heart

You have loved me from the start

Whoa, baby

I know that it's real

I can tell by the way that I feel

Oh

You give me something to believe in

Yes, and you give me something to go on living for

And I know in my heart

You have loved me

From the start

Whoa, baby

I know that it's real

I can tell by the way that I feel

Lie down, my love, lie down

I will sing you a lullaby

Lie down, my love, lie down

Rest easy and close your eyes

Like clear water in a mountain stream

I will come to you in your dreams

Like pictures reflected in a mountain lake

I will be with you when you wake

You give me something to hold on to

You give me something to believe in

And I know in my heart

You have loved me

From the start

Whoa, baby

I know that it's real

I can tell by the way that I feel

Oh, oh

Lie down, my love, lie down

I will sing you a lullaby

Lie down, my love, lie down

Rest easy and close your eyes

Like clear water in a mountain stream

I will comfort you in your dreams

Like pictures reflected in a mountain lake

I will be with you when you wake
