

# Steve Perry, It's Only Love

(Perry, Goodrum)

Oh, you broke an old tradition  
Gave in to the flame  
You tell me I'm the reason  
You tell me I'm to blame  
You're sorry for the evening  
But nothing's wrong

It's only love, it's only love  
Oh, it's only love, only love

I don't need this condemnation  
There's no room for mistakes  
There's no time for forgiveness  
It's written on your face  
But girl, I'm only human  
Oh, you should know

It's only love, it's only love  
Oh, it's only love, it's only love

So let's turn it around  
Start working it out  
We should try, our love is so strong

We've got nowhere to go  
It's right here we belong  
We should try (we should try)  
Looking back again

Oh, I opened up your letter  
I can't believe my eyes  
You said I should know better  
But I have no alibis  
No, no, hey, no

Then they play, then they play  
Then they play  
Yes, they play, then they play

Only love, only love  
Ooh, it's only love, only love  
It's only love, it's only love  
Oh, it's only love, it's only love  
Only, only love  
Don't be afraid it's only, only, only love
