

Steve Perry, When You're In Love (For The First Time)

(Perry, Goodrum)

When you're in love for the first time
There's nothing you can do
You lose your heart for the first time
It's happening to you
You keep your love in your pocket
Safely tucked away

When you're in love for the first time
There's nothing you can do, listen
There she goes loving you
She's holding your hand
You're thinking you're so strong
She's more than you can stand

When you're in love for the first time
There's nothing you can do
You lose your heart for the first time
It's happening to you, oh yeah
There she goes loving you
She's holding your hand
You're thinking you're so strong
She's more than you can stand

When you're in love for the first time
There's nothing you can do
You lose your heart for the first time
It's happening to you
