

# Steve Vai, I'm Your Secrets

Take my hand  
Look into my eyes  
Tell me what you see  
Because the eyes never lie

And all that you ever done  
And everything you ever knew  
And in every dream you'll ever have  
I'm there with you

Tell me everything you can  
'cause I'm the one who will understand you  
I'm all of your fantasies  
And after all is just you and me

I'm your secrets

And when you're hurt from the weight of the world  
there's nothing I wouldn't do  
and on the day you leave the world  
I'll go with you

Tell me again about endless love  
the talk with the sun and the moon and stars  
what do you think about God and men  
tell me the thing no one would understand

'cause I'm your secrets

you ask "is love a lie?"  
and "is the world insane?"  
"why do we cry?"  
and "is this life really just a dream?"

Tell me everything you can  
I'm the one who will understand you  
I'm one you wish to be  
'cause always been just you and me

'cause I'm your secrets
