

# Steve Winwood, Can't Get Enough Of It

Well my doctor told me beware  
I'm taking more than my share  
Falling in love I can bear  
Provided that loving affair  
But he don't know about you  
And all the things that you do  
And how it breaks me in two  
Just to know a man's with you

Chorus:

I can't get enough of it, oh  
I can't get enough of it, oh  
I can't ever let you go, oh  
I feel like I need you so, oh  
I can't get enough of it, oh  
I can't get enough of it, oh

Yeah 'cos every time we're apart  
I get a pain in my heart  
And my mind's completely a mess  
And I ain't getting no rest  
I guess I'm failing the test  
I guess you're getting the best  
Of all the love I can give  
'cos you're the reason I live

Chorus (2 times)

Repeat second verse
