

# Steve Winwood, Just Wanna Have Some Fun

Oh what a shambles has been my day  
I know I have to go to work but I wanna play  
Well, I'm lookin' at my watch and it's almost half past three  
And it's time for tea  
And I don't want nobody tellin'  
Trying to tell me  
What I have to do and what I have to be  
You know I just wanna have some fun  
Yeah now, come on and have a party  
Yeah, well, have some fun  
Let me tell you now  
All through the day the night's been on my mind  
Now I've got myself together, baby, and you're lookin' fine, so fine  
And I'm lookin' at my watch and it's almost half past eight  
Now then don't be late  
I don't want nobody tellin'  
Telling me and you  
Who we have to be or what we have to do  
I know you've got some lovin', it's something we can share  
We're gonna have a big night out, even if they say we ain't goin' nowhere  
I see you walkin' to my car, lookin' like something sweet to eat  
Girl, you're my brightest star.  
Come on now, let's get it. Let's get it.  
Everybody on the dance floor, everybody get up  
Everybody keep movin', let's have some fun
