

# Stevie Nicks, Everyday

Words and Music by John Shanks and Damon Johnson.

Don't keep me hangin' on a string  
Tell me what I feel is no big thing  
Don't turn away, I'm listening  
Over and over again

Don't give me visions to explain  
There are no doubts I feel the strain  
Of all my senses yearning  
Over and over again

Chorus:  
Every day I see you  
Every day I need you  
Every way I breathe you  
On and on and on and on again

It's not important to wonder why  
What is, just is, no more to imply  
This simple thought repeating  
Over and over again

Chorus

Imagine all the ways to cope  
I close my eyes, that gives me hope  
It cures the silence

Chorus
