

# Stevie Nicks, Watch Chain (Watch Devil)

Lovely soft faded jeans  
A very soft shirt in a light blue  
Perfect dreams...  
And a watch chain  
Becomes you  
You're just a watch chain  
And it becomes you  
A watch chain  
(A watch chain)

Watch devil  
Keeper of the time

Lovely soft tired face  
Touching fingers through the kitchen lace  
I think that I should hold your hand  
I'm hurting, darling  
Do you understand  
Well, I'm hurting, darling  
Do you understand

(A watch chain)  
(A watch chain)  
(A watch chain)

Watch devil  
Keeper of the time  
(A watch chain)  
A watch devil  
Mmm...mmhmm

Be aware of the danger  
As you cross the great water  
Be careful of strangers  
Who are new to your eyes  
Beware of the people  
Who look not straight at you  
The keeper of the time is blind  
The keeper of the time is blind

Watch devil  
Keeper of the time  
Keeper of the time...  
The keeper of the time...  
Keeper of the time...  
Watch devil  
Watch devil  
The keeper of the time

Watch devil...  
Yeah  
Watch devil...  
Yeah  
Watch devil  
Yeah  
Watch devil
