Stevie Ray Vaughan, Close To You

I wanna be close to you baby as I can get Close to you baby as water is wet Close to you baby as hair on your head Close to you babe you better believe what I said

I wanna be close to you baby Yeah let me be close to you I want to be close to you darlin till you don't know what to say or do

I wanna be close to you baby as white is to rice Close to you baby as cold is to ice Close to you baby as fire is to smoke Close to you baby as a pig is to poke

I wanna be close to you baby Yeah let me be close to you I want to be close to you darlin till you don't know what to say or do

Closer and closer baby Closer and closer baby Closer and closer baby Closer and closer baby I want to be close to you darlin till you don't know what to say or do

I wanna be close to you baby as the whites of your eyes Close to you baby as cold is to ice Close to you baby as a egg is to a hen Close to you baby as Siamese twins

I wanna be close to you baby Yeah let me be close to you I want to be close to you darlin till you don't know what to say or do
