

Stevie Ray Vaughan, Lookin' Out The Window

Well I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the memories of the past
Feel so fine honey, thats why our love should last
Feel so good baby and it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so nice
We're havin' all the time to ourselves
Yeah we're havin' all the fun to ourselves

Lord I'm pickin' up the pieces off the shelf
Won't take long baby 'cause there's hardly any left
Feel so good baby but it's all because of you

I've gotta love ya, I need to love ya, I want to love ya so nice
I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the memories of the past
Feel so fine honey, thats why our love should last
Feel so good darlin' and it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so nice

I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at you
