

# Stevie Wonder, Contract On Love

Baby, baby, sign my contract on love  
Baby, baby, sign my contract on love  
Baby, baby, sign my contract on love  
Baby, baby, sign it  
Sign it  
Sign it  
Sign it

You say you love me  
And I believe it's true  
But before I let myself go  
Here's what you've got to do

(Sign it)  
(Sign it)  
(Sign it)  
(Sign it)  
You've got to sign  
(You, you, you'd better sign it)  
My contract on love  
(You, you, you'd better sign it)  
Write it in your heart  
(You, you, you'd better sign it)  
That you'll never do anything  
To ever make us part  
(Sign it)  
(Sign it)  
(Sign it)  
(Sign it)

Yeah, I know it may seem strange to you  
Yeah, but I've lost a love so many times before  
Yeah, and now that I know the score  
No one's gonna hurt me no more  
And I'm takin' all my chances with romances  
Yeah

(Sign it)  
(Sign it)  
(Sign it)  
(Sign it)  
So just sign  
(You, you, you'd better sign it)  
Right here on this dotted line  
(You, you, you'd better sign it)  
Where it says you'll be mine, all mine  
(You, you, you'd better sign it)  
Until the end of time  
(Sign it)  
(Sign it)  
(Sign it)  
(Sign it)

So come on, come on, come on, and  
Sign, yeah  
(Baby, baby, sign my contract on love)  
Sign, yeah  
(Baby, baby, sign my contract on love)  
Sign, right here on this line  
(Baby, baby, sign my contract on love)  
Yeah

(Sign it)  
(Sign it)

(Sign it)  
(Sign it)  
Sign, yeah  
(Baby, baby, sign my contract on love)  
Sign, yeah  
(Baby, baby, sign my contract on love)  
Sign my contract on love  
(Baby, baby, sign my contract on love)
