

Still Remains, Maria

Maria. I told you to stay here...here "(x4)"

All I want to know is how they broke you "(x8)"

Struggle to keep your life
Don't let them take "...don't let them take..." you.

Struggle to keep your life
Don't let them take "...don't let them take..." you.

Struggle to keep your life
Don't let them take "...don't let them take..." you.

I need it, I need you to tell me. "(x5)"
