

Still Remains, Stay Captive

Watching For You
Concieved With No Eyes
Listen For The Voice,
Plant Within Me
Eyes That Open
Leading Where I Walk

And I Feel I Know You Well, If I Were You I'd Wait,

Til Someone Moves or cares, Stay Captive
Keep Yourself There, Wait For love
Til Someone Moves or caress, Stay Captive
Keep Yourself There, Wait For love

I See Everything
Every Move I Make
Painted Before You,

Start To Move
Heart That Lingers
I Only Move For You,

And I Feel I Know You Well, If I Were You I'd Wait

Til Someone Moves or cares, Stay Captive
Keep Yourself There, Wait For love
Til Someone Moves or cares, Stay Captive
Keep Yourself There, Wait For love

Til Someone Moves or cares, Stay Captive
Keep Yourself There, Wait For love
Til Someone Moves or cares, Stay Captive
Keep Yourself There, Wait For love

Wait For love (Til Someone moves or cares)
Wait For love, Wait For love, Wait For love
Wait For love...
