

# Sting, When We Dance

If he loved you  
Like I love you  
I would walk away in shame  
I'd move town  
I'd change my name

When he watches you  
When he counts to buy your soul  
On your hand his golden rings  
Like he owns a bird that sings

When we dance, angels will run and hide their wings

The priest has said my soul's salvation  
Is in the balance of the angels  
And underneath the wheels of passion  
I keep the faith in my fashion  
When we dance, angels will run and hide their wings

I'm still in love with you  
[I'm gonna find a place to live  
Give you all I've got to give]  
When we dance, angels will run and hide their wings  
When we dance, angels will run and hide their wings

If I could break down these walls  
And shout my name at heaven's gate  
I'd take these hands  
And I'd destroy the dark machineries of fate  
Cathedrals are broken  
Heaven's no longer above  
And hellfire's a promise away  
I'd still be saying  
I'm still in love

He won't love you  
Like I love you  
He won't care for you this way  
He'll mistreat you if you stay

Come and live with me  
We'll have children of our own  
I would love you more than life  
If you'll come and be my wife  
When we dance, angels will run and hide their wings  
When we dance, angels will run and hide their wings  
When we dance, angels will run and hide their wings  
When we dance, angels will run and hide their wings

I'm gonna love you more than life  
If you will only be my wife  
I'm gonna love you more than life  
If you will only be my wife  
I'm gonna love you night and day  
I'm gonna try in every way

(I had a dream last night  
I dreamt you were by my side  
Walking with me baby  
My heart was filled with pride  
I had a dream last night)
