Stone Sour, Blotter

Somewhere between my tongue and cheek I can feel the hands on me Pulls me in so we are face to face I don't wanna see it...I don't wanna see Hold my head up, can't avert my eyes Spots and rats on me, I don't wanna see Claw the ground up, get me out of this Never wanted this - NEVER NEEDED THIS! And you left me / and I left you And you left me / and I left you, too Chair is stained and I can't stay awake Bring forth evidence to keep me sane I can't keep this riddle locked inside Seven ways to keep my secrets tied Can't believe this, I belong in chains Separated, it was me and something else Now I'm numbing, get me out of this Never wanted this - NEVER NEEDED THIS! And you left me / and I left you And you left me / oh, but then I left you and: And you left me / and I left you And you left me / and I left you, too [Solo: Jim] Arms stretched out, giving thanks to pain Spotlight looking down, I'm ashamed Kneeling with my forehead to the ground I can't help but flinch before I'm found I DON'T NEED YOU! Can't you see behind? Doesn't matter now - DOESN'T MATTER ANYMORE! Maybe made me, get me out of this Never wanted this - NEVER NEEDED THIS! And you left me / and I left you And you left me / and motherfucker, then I left you and... And you left me / and I left you And you left me / and I left you, too SAFE! I JUST WANT TO BE SAFE! SAFE! I JUST - WANT TO - BE SAFE! SAFE! DON'T YOU WANT TO BE SAFE? SAFE! WHY CAN'T YOU LET ME BE - SAFE?
