

# Stone Sour, Cardiff

This fluid feels like pain  
This stoic mood is all in vain  
I reach into the dark  
I tear the sun and me apart  
How many years ago  
How many deaths I can't let go  
My flesh is temporary, my God extraordinary

You.. can't.. kill.. MY... MIND  
A man delivered can never make his way in darkness I know tonight will end but I won't give this life  
Away again

Sifting through the seen debris  
Oh my father call to me  
This smoke is in my blood  
This home is just no good  
Save me from my bitterness  
Give me up I did my best  
Chalk this system full of shit  
Lock this fucker lost in it

You.. can't.. kill.. MY MIND  
A man delivered can never make his way in darkness I know tonight will end but I won't give this life  
Away I won't give this life away

A man surrendered can never find his own forgiveness I know my life will end but I won't give tonight  
Away.. I won't give tonight away!

Oh yeahh!
