## Stone Sour, Inhale

Come one and all and see the broken man Talking to himself He sits and waits for something better He'll never find it here The people touch his hair and pinch his cheek He can't even feel it

There it goes again He's listening to someone He hears the bitter laughter And all he wants to know is...

Why does any of it matter? (I can't take it anymore) You've gotta try The inhale that makes the exhale so much better

He wipes his hands on anything in reach He never feels clean He shakes at night because his nerve is gone Every muscle hurts Come one and all and see what happened That broken man is me

There it goes again I can hear it louder It doesn't feel good anymore All I want to know is...

Why does any of it matter? (I can't take it anymore) You've gotta try The inhale that makes the exhale so much better

Now I know I disappear I can't find my way from out of here Everything is fading on me Someone tell me, someone tell me... Someone tell me

Why does any of it matter? (I can't take it anymore) You've gotta try The inhale that makes the exhale so much better

Why? Why? You gotta try! Try!
